HOOPS AND HUSTLE HISTORY

This will be the 36th summer of the successful **Hoops and Hustle Basketball Camp** offered by Clarence Fulton. Hoops and Hustle is a camp that teaches basketball fundamentals and therefore could be better described as "Basketball School." Over the years we have attempted to bring in the best "master teachers" available and as a result our camp has been instructed by Head Coaches from UBC, SFU, UVIC, Eastern Washington, Whitworth, Seattle Pacific University.

The results have been phenomenal as many provincial-level players have emerged from this camp.

We are very fortunate to have basketball coaches of such high caliber who are willing to come to our community and help build our basketball program.

DALE OLSON

CAMP DIRECTOR Coach Olson played at University of Victoria under Coach Ken Shields. He has been at Fulton for 29 years now and has been involved in Hoops and Hustle for 36 years. "The importance of going to basketball camp in the

summer is enormous. Basketball players are made in the off-season."

Coach Bio

Spencer McKay (born 10 August, 1968 in Oliver, Canada) is a former Canadian university basketball coach and a former Canadian International and professional basketball player. After returning to Canada in 2012 to study a Masters in Coaching Science at the National Coaching Institute in Victoria, BC, McKay complemented his studies with a season as Assistant Coach of the men's basketball team at his Alma Mater, UVic. McKay spent the next five successful seasons as the Lead Assistant Coach with the University of British Columbia Thunderbirds. In 2014 he was inducted into the Basketball BC Hall of Fame, and in 2017 he was

inducted into the University of Victoria Sports Hall of Fame. McKay is the Co- Founder and Head Coach of "Nothin' But Net" (NBN), a youth basketball development academy in the Okanagan Valley founded in 2001.

McKay graduated in 1986 from Southern Okanagan Secondary School in Oliver, British Columbia. Leading his undefeated high school basketball team to the 1986 B.C Provincial Championships, McKay earned MVP honours in every tournament his team played and became the first athlete in his school's history to have his number (#15) retired. From 1986-1991 McKay played for the University of Victoria Vikings under legendary coach Ken Shields. He led the Vikings to three CIAU (U-Sports) Final 4 appearances, averaged 18.4 points/game over his career, and remains the school's all-time scoring leader with 1682 conference points and 2976 total career points. He is the only player in UVic basketball history to earn Canada West All-Star honours in all 5 of his years and was a 3-time CIAU All-Canadian (1998-1991).

McKay began his professional coaching career in 2006 in Oostende, Belgium, where he led the BCO (Basketball Club Oostende) women's semi-pro team to a 3rd place finish in the Belgian league. After accepting a position at the International School of Brussels in 2007, McKay led his Varsity Boys basketball team to consecutive European ISST high school titles in 2009 and 2010. McKay's teams were awarded the "Parker Bradford Award" for Most Sportsmanlike Team in each of their 5 appearances. During McKay's 5 seasons as the Lead Assistant Coach of the UBC Thunderbirds Men's Basketball program, the T-Birds went 77-25 in Canada West league play (114-46 overall), during which 9 of his players went on to play professional basketball after graduating from UBC. McKay now brings his incredible knowledge and unmatched international basketball experience to the South Okanagan, where he continues teaching basketball skills through his NBN Academy, and as a Youth Development Coordinator with Lake City Basketball.
