Hello Parents and Guardians of our Grade 7 students!

We are so excited to be a part of making this a great year for our grade 7 students in this ever changing time! For ease and quick communication we have created a Facebook Group so please join if you can:

Facebook Group: Hillview Elementary Grade 7 Grad

We will also be sending out updates and information by email but it is very timely to organize email responses with the large amount of emails that come through so I'm hoping that most of you can join the Facebook group. We will be having monthly Zoom meetings as well to keep everyone well informed and make sure we are hearing all thoughts and ideas as we are all a team!

Please know that we have gotten all of your emails and are working at putting the committees together, we have started a bit late in the year so everyone buckle up, we've got some work to do for our kids!

The following dates are our next online parent meetings so hopefully most of you can join.

Tuesday Jan 5th at 7:00pm

Tuesday Feb 2nd at 7:00pm

Tuesday March 2nd at 7:00pm

The link for these meetings will be posted online in the Facebook group. If you don't have Facebook and/or can't find the number please email us the day of and we will make sure you receive the link. We will be using a Zoom platform which will automatically open when you click on the link.

Many thanks to those of you that have already stepped up and are able to help; every little bit makes a difference!

Sending best wishes to everyone over the holidays, keep well and stay safe.

Andrea and Connie
