November in Review

A fantastic November at Kalamalka ended with our Senior Girls moving up in their provincial standing from 13th to 7th overall. A great tournament hosted by the amazing community of Coldstream – thank you. Our Grade 8 boys won the zone tournament as did our Senior Boys Soccer team. The theater has started the amazing production of “Back to the 80’s.” - not so long ago to some of us.

Kal Food Drive

The Kalamalka Secondary Food drive begins next week. We have pitted grades against each other. The grade group that brings in the most non-perishable items will be rewarded. We are just figuring out what that will be.

CLC – Capstone Projects

There is very little time left in the semester. Students that are taking CLC will be demonstrating their culminating projects in the New Year – January 15th. The date is arriving fast, so some work through the break will be worthwhile. This is a grad requirement for our Grade 11 and 12 students that we all look forward to viewing. Schedule for public viewing will be sent out the week before.

PAC

The next PAC meeting is on January 20th. This is a great opportunity to find out what is going on at Kal and provide input. Access updates on the PAC Facebook page, “Kalamalka Secondary Parents.”

Band Performances

The Kalamalka Band and choir will be spreading their cheer.
December 11th at Creekside Assisted Living

Theater Performance

The performance of ‘Back to the 80’s’ is getting rave reviews. Evening shows are on December 6, 7 and 11-13 at 7pm. There is a matinee performance tomorrow, December 7 at 2pm. Tickets are \$10 each – available in the office or at the door. Come and check out our Kal talent.

Last day in 2019 and Restart

The last day of school before Christmas Break, December 20th, will have adjusted times to allow for the holiday assembly. School will be back in session with Block A on January 6th, 2019. Have a safe and wonderful holiday.

Grad Bottle Drive

On the morning of Friday, January 10, we are asking our school community to drop off their bottles and cans at the drive thru bus entrance. We will have students there to collect and sort your bottles and cans. All proceeds will go to the dry grad festivities. We are hoping this will be our final after grad fundraiser, which requires full participation from all grads. On January 11, the grads will be going out into the community to gather more.
