## Drive By Peppers

On Monday, we will have packages of peppers available for pick up on tables outside of Kalamalka Secondary from 9am to 2:30pm. The peppers are free and available for anyone. As an extension, we will have a box available as well and you can drop a donation to the food bank in it. The donation is not necessary.

## Interim Reports in MyEd BC.

Our staff will have reports published in MyEd BC by the end of Friday, May 8. These can be viewed through both the student and parent MyEd login. This report is heavily weighted on work done before Spring Break. Please remember that final marks will combine this work and work after Spring Break. Students still have opportunities to improve their marks and the alternative (decreasing marks) is also possible. The link below sends you to the family portal handbook that explains how you can use MyEd BC. We had hoped to have a training day on this parents, but....

## Library Book Return

If you have a library book at home, please return it to the school during school hours from 8:30am to 3pm. We have a library drop box in the front entrance. Just follow the instructions on the sign out front to enter the school.

## PAC meeting

The following are the purposes of Kal PAC:

1. To advise the school principal and staff on parental views about school programs, policies, and activities.
2. To communicate with parents, and to promote co-operation between the home and the school in providing for the education of children.
3. To assist parents in accessing the system, and to advocate on behalf of parents and students.
4. To organize PAC activities and events.
5. To contribute to the effectiveness of the school by promoting the involvement of parents and other community members.

Want to find out more? You are invited to attend the AGM on Monday, May 25 at 6:30pm online. This meeting will include annual reports and election of officers so please come out and vote! All parents and guardians of Kal students are voting members of PAC. An electronic invite will be sent closer to the time of the meeting. We will also send this invite to our families that are entering Kal next year.

## Grad Committee Meeting

We are having a Grad committee meeting on Monday, May 4<sup>th</sup> to review how we can provide the best experience for our grads given the circumstances. We will reach out to meet with all grad parents shortly after this first meeting. If you have some ideas, please forward those to me and I can bring them forward. ## Timetable

Now that course selection is completed for next year, we are in the process of building a timetable. This takes some time and we are working in a new system (MyEd). Our plan is to have next year's Grade 12 schedules ready for the end of June.

*Grad 2020 : HMMMM? We are working on this*

*JUNE 13<sup>th</sup>; Can't say for sure this will be the date  
JUNE 14<sup>th</sup>; or this. A work in progress*
