

FEBRUARY NEWS – 2021

PRINCIPAL'S MESSAGE

Another month of learning has come to an end here at Mission Hill! The students are doing a great job of working in class, and the school has a wonderful energy to it.

We are looking forward to an exciting month in February, as we continue our learning journey. This month we have points of progress for parents to review from the afternoon of February 4th onward, we have some basketball practices starting for the Panthers cohort, and Mr. MacArthur has choir underway. While we continue to work within the boundaries created from the pandemic response plan, it is great to see ways to keep our students busy.

Your child's MyEd report is focused on Literacy, Numeracy, Core Competencies and Student Engagement. These reports will tell you what your child can do, what they are moving to next, and what they can do to continue to improve.

~ Thank you in advance for your support,

Mr. D Tyssen
