

JUNE NEWS – 2021

PRINCIPAL'S MESSAGE

Wow, it is hard to believe that June is here! I find myself amazed at how well everyone has handled themselves through this unique year, although I have always believed that our children are more resilient and flexible than they often get credit for. I hope everyone has a great wrap up to the school year as we head into the summer break.

In addition to some fun events in the classrooms, we are looking forward to iRide bike lessons next week for 5 of our classes (these classes have been emailed). A huge thank you to our PAC group for supporting this session! We will also have our "Bike to School Week" next week. We have some prizes for students that are riding to school next week.

Please see the attached letter for an update on our administrative team for the coming school year.

On behalf of the staff at Mission Hill I would like to extend a congratulations to all our Grade 7 students as they prepare to move on to High School next year. Also, a reminder that if you have a child (or maybe a neighbour) that is entering Kindergarten next year, to register before the end of the school year. If you or someone you know needs to register, please call the office to set up an appointment.

~ As always, thank you for your continued support.

Mr. D Tyssen

To: Mission Hill Elementary Students and Families

Re: Administration Update

To the Parents/Guardians & Students ~

I am writing to let you know that for the 2021/2022 school year (September) there will be a change in the Vice Principal position at Mission Hill Elementary School.

Please welcome Ms. Lisa Quiring as our new Vice Principal of Mission Hill Elementary School.

Ms. Quiring has been a teacher in our district for 24 years. She has taught at Whitevale, Ellison, Silver Star and BX elementary schools. She has worked as both a primary and intermediate lead teacher and had extensive experience working to support administrative teams in our district. She is looking forward to working with the Mission Hill learning community starting in September 2021 and beyond.

I have truly loved and appreciated my time at Mission Hill Elementary and will have a difficult time saying my good-byes this year. The Mission Hill community will always have a piece of my heart and I am so thankful for all the support that the community has provided me. I cherish the opportunity I have had to serve the families, students, and staff of this amazing school. I know that Mission Hill Elementary will make Ms. Quiring feel just as welcome and supported when she arrives.

Yours Truly,

Ms. Angela Salmon
