

MAY NEWS – 2021

PRINCIPAL'S MESSAGE

Spring is officially here, and the energy in the school is up. The great weather we have been having has been a welcome shift, and it is great to see all the students out playing and enjoying the sun!

Last month we had the chance to connect parents, students, and teachers to review the learning goals that were set in October. We also had our class photos taken, and they have been handed out to the students. A reminder that this month we have a Professional Development day on May 21st, as well as the Victoria Day holiday on May 24th.

As has been communicated by Superintendent Rogers, all students in Grades 4-7 are now required to wear a mask when in the building. Please send your child to school with a mask each day. We are hopeful that this will be a short term policy, and we thank you for your understanding. We will do our best to keep our community informed of any changes as soon as we are able.

~ As always, thank you for your continued support.

Mr. D Tyssen
