PEAK EXPERIENCE

Here is where your journey begins!

WHAT IS PEAK?

PEAK Outdoor Experience is not your typical Outdoor Education 11/12 course!

PEAK is two back to back blocks, which allows for full days during the week to go on outdoor excursions. We also go on several multi-day/night trips!

In 2022, depending on the timetable system we use at Seaton (quarter system or semester system), PEAK will run in the fourth quarter, or in the second semester.

If we run a quarter system, PEAK will be all day every day for the entire fourth quarter.

If we are in a semester system, PEAK will run half days four days a week, with one full day (Thursdays) to take on longer day trips.

Students will receive credit for Outdoor Education 11 and Outdoor Education 12.
