February 4, 2020

Dear Seaton Parents, Guardians and Students:

### COVID and Exposure Control Plan

There has been a new announcement by Dr. Bonnie Henry on February 4 with additional measures. Our district will be updating the Exposure Control Plan and sending out information in the coming days.

### February 5 – Course Completion Day

Students who are requested by their teacher and need to complete missed learning and demonstrate their learning can attend on Friday. Students are to work in their classes to complete their work. When students have completed their work, they are to leave the school and not hangout in the school or school grounds. If your child is a bus student or is unable to leave due to transportation challenges, they should stay in their class and be respectful of others who are still working. If you have questions you can always contact the classroom teacher.

### Quarter 2 Report Cards

Quarter 2 Report Cards will be available in MYED by February 17. We will send out a message when they are ready.

### Updated Calendar – Quarter 3 - AABB

We start Quarter 3 on Monday, February 8 with AA in the morning and BB in the afternoon. The A Block classes will run fulltime. The B Block Grade 10, 11 and 12 classes will then run on the Day 1 and Day 2 schedule unless the teacher has indicated that they will run fulltime. The Quarter flip of morning and afternoon classes will happen on March 8.

Students can check their schedules in MYED to see their classes for Q3. Grade 8 students starting their Block A elective rotation will have class lists posted by the office and beside the classrooms. Our updated student calendar is available on the school website. <https://sd22.bc.ca/seaton/about/383-2/>

### Seaton 27<sup>th</sup> St. Theatre – Seeds of Hope

If you missed out on the Seeds of Hope you will have another opportunity on February 12, 13, 14 & 15. Take the time to watch this incredible production by our very own 27<sup>th</sup> St. Theatre. The students of W.L. Seaton's 27th Street Theatre Company, under the direction of Lana O'Brien, have created an original and stunning new show which tells some of the stories around Canada's prison camps during the First World War and beyond. After weeks of research, the show focuses on local stories while also delving into stories from across Canada in its telling of this little-known history of our region, and country. Please share it with your friends. Viewing by donation. <https://www.ticket seller.ca/tickets/event/seeds-of-hope>  
Thank you to our PAC for contributing funds to help cover some of the costs of the video production.

### Seaton Athletics Booster Club – Bottle Drive Drop off

Are your cans and bottles stacking up at home? We would appreciate you donating them at Chasers Bottle Depot, 4702 31 St. After you have sorted the cans and bottles, just let them know that the money is to go to the Seaton Athletic Booster Club account.
